## Salem Hills PTO Monthly Newsletter

### MEET THE PTO PRESIDENT

Hi, I'm Marilyn and I am the PTO President for this school year. This is my second year serving on the PTO board as last year I had the Secretary position. My husband and I have two daughters in 2nd and 4th grade this year. Our family enjoys the outdoors and traveling to new places. I originally got involved with the PTO to meet some other families because COVID hit when our oldest was just in Kindergarten and we didn't know many other families.

I am excited for this year to work together with the new board and connect in new families with our strong Salem Hills school. As a board we are working hard to communicate often what is going on, how to get involved and how to help! This newsletter is just one example of how we are working to reach parents and staff! I am most looking forward to the Fun Day at the end of the year. I have volunteered the past two years and it brings me so much joy to see the students and the staff have such a great day.
